Product information

Textile dye: peach/black

The EXEL GOALIE JERSEY G MAX is a floorball goalie jersey designed to meet the demands of both practice and game play. Available in peach/black, this model combines freedom of movement with extra padding on the shoulders. Especially in goal, where quick reactions and direct physical contact with the equipment go hand in hand, a design that effectively balances protection and comfort is essential.

- Product Type: Floorball goalkeeper jersey
- Protection: Shoulder padding for additional coverage
- Arm protection: in black/neon peach with lightly padded arms
- Combination: matches goalkeeper pants and helmet
- Color: peach/black
- Size: Available in XS, S, M, L, XL, and XXL

In a goalie's day-to-day play, the extra padding really makes a difference: It complements the gear in areas where there's a lot of movement—like when shifting, diving, and covering the angle. This makes the jersey an attractive option for club players and ambitious goalies who want to coordinate their gear without unnecessarily compromising mobility. The peach/black version is part of a series with several color options and can be seamlessly combined with the rest of your goalie gear.

When choosing a size, it's worth considering the desired fit over a protective vest or other goalie apparel.
