## Product information

---

EXEL GOALIE GLOVES G MAX SHORT SR are floorball goalie gloves designed with a focus on grip and a lightweight feel. The silicone surface is designed to provide a sticky, durable grip, complemented by an additional grip zone on the fingertips. This helps you keep a secure hold on the stick—especially during games and intense training sessions—without making the glove feel unnecessarily heavy.

- Product Type: Floorball goalkeeper gloves
- Material: Silicone gloves
- Grip: sticky and durable grip surface
- Finger area: additional grip on the fingertips
- Construction: Seam placement designed for longer durability
- Closure: Improved strap with a shape-retaining design
- Fit: Lightweight, slim, and snug-fitting design
- Sizes: S, M, L, XL

In goal, it's often the combination of feel, grip, and mobility that counts. That's exactly where this model comes in: The grippy surface supports quick reactions and secure stick control, while the lightweight construction maintains a natural feel in the hand. The well-thought-out seam placement and redesigned strap are particularly appealing to club players who train regularly and are looking for reliable equipment.

For a snug fit, choose a size that ensures the glove fits snugly without restricting finger mobility.
