Product information

Shoe color: black

Shoe width: W (Wide)

The TRUE CATALYST 3X6 WIDE SR is a hockey skate designed for ambitious senior-level players who train regularly and are looking for a direct, agile skating feel on the ice. The wide fit provides more room inside the boot, while the Catalyst line is designed for an anatomical fit and agile skating. In black, this model maintains a sleek, sporty look.

- Product Type: Hockey skate for field players
- Fit: Anatomical with wide shoe width W
- Feel: agile and designed for quick changes of direction
- Intended use: regular practice and games
- Stability: solid support for reliable performance on the ice
- Comfort: Comfort-oriented design with a secure fit
- Model: SR, color black
- Sizes: EU 42 to 45.5 / Skate Size 7 to 10

Especially in everyday club life, when there are several ice sessions per week, you need a skate that doesn't require a long break-in period. This model is designed for players looking for a high-quality entry into the TRUE Performance world without having to upgrade to the top-of-the-line model right away. The combination of a wider last, secure fit, and flexible design helps you execute tight turns cleanly and transfer energy to your stride in a controlled manner.

When selecting a pair, it's worth taking a close look at the wide W-fit and the appropriate skate size compared to your usual shoe size.
