BLUE SPORTS BLUE COMBO SR is a 3/1 groin guard designed for everyday hockey play, when you need compact and straightforward protection under your gear. Especially during practice and regular games, you want a solution that fits quickly and integrates seamlessly with the rest of your gear. The SR S cup version is designed for players who prioritize a clear, straightforward fit when choosing a groin guard.

- Product Type: 3/1 Groin Guard
- Protection Area: Lower abdomen with integrated cup
- Model: SR S cup
- Protection size: SR

## Product information

---

- Body protection sizes: S, M, L, XL
- IntendedUse: Hockey practice and games

A groin guard is part of the basic equipment and should not be a distraction during the game. This is precisely where the practical benefit of this 3-in-1 design lies: The protection is designed as a complete unit, making it easier to choose the right gear—especially for club players and young athletes transitioning to the senior level. During training, when making quick changes of direction, or in tight game situations, it's especially important that the groin guard fits securely and remains comfortable to wear under hockey gear.

The combination of SR protective size and the corresponding body armor size from S to XL helps with selection.
