 **FREE SHIPPING** from **CHF 150** (except bulky goods)  
in Delivery between **Thu 29. Oct - Mon 02. Nov 2026**

3 in stock

## Product information

---

Goalkeeper size: SR

Goalkeeper color: navy

TRUE WARRIOR CATALYST 9X5 SR NAVY are goalie pants designed for ambitious goalies who need a balance of protection and freedom of movement. Especially when using the butterfly position, making quick recoveries, or standing up explosively, it's crucial that the pants work with you rather than restrict your movement.

- Technology: Intelligent Body Protection with a 3D-molded back frame
- Protection Areas: Reinforced impact protection in the back and hip areas
- Construction: Double-layered hip pads for high-impact zones
- Mobility: Internal stretch panels for unrestricted upper-body movement
- Fit: Flexible, expandable waistband
- Material Properties: Lightweight, water-repellent design
- Size: Senior
- Color: Navy

During the game, this design really shines when quick changes of direction are required. The flexible fit allows for fast tracking of the puck, handling rebounds in front of the net, and a quick return to the starting position. At the same time, protection remains in high-impact areas without making the pants feel stiff. This is particularly appealing to performance-oriented goalies and regular club players who consistently push their equipment to the limit in practice and games.

When selecting a size, check the senior size and the corresponding shooter size (S through XL) to ensure the pants work seamlessly with the rest of your goalie gear.
