Textile dye: black/red

Textile size-1: SR

The FANATICS BREAKAWAY JERSEY CAROLINA HURRICANES ALTERNATE brings the game-day look straight into your everyday hockey life. This fan jersey is modeled after the team's on-ice gear and is designed for Carolina Hurricanes fans who want to look the part whether they're watching the game, at the arena, or out and about.

- Product Type: Fan jersey in alternate design
- Fit: slightly fitted cut
- Ventilation: Mesh panels for added comfort
- Design: Inspired by the Carolina Hurricanes' game-day gear
- Color: black/red
- Size: SR, available in S, M, and L

Especially for fans who don't just collect jerseys but wear them regularly, the combination of a more fitted cut and a breathable construction makes a noticeable difference. The jersey fits closer to the body than simple, loose-fitting casual tops, yet remains comfortable to wear when a game night runs late or the arena gets crowded. In black/red, the alternate design stands out and clearly reflects the Hurricanes' look.

When choosing a size, it's worth considering the desired fit: slightly closer to the body or with more room for layering over other clothing.
