In a goalie's day-to-day routine, a match jersey must above all be practical. It should fit well over the goalie's equipment and provide a comfortable feel during movements in the goal area, when positioning, and during quick reactions. That's exactly where this model fits in: as a classic goalie jersey for senior goalies, clubs, and training groups looking for a clearly identifiable game jersey for use on the field or in the gym.

When selecting this item, it's crucial that the size and fit match your existing goalie gear.
