When it comes to goalkeeper training, it's especially important to have clothing that doesn't unnecessarily restrict movement and remains easy to wear during regular club activities. A training uniform like this is therefore a great fit for goalies looking for a clean, athletic solution for warm-ups, practice, or the trip to the arena. This style is also appealing to teams and coaches when a uniform and functional look is required for everyday club activities.

When selecting this item, the Senior (SR) size is particularly important to ensure the uniform matches the rest of the training gear.
