Textile dye: black

The CCM WINTER JACKET 8818 SR is a winter jacket designed for everyday hockey life off the ice. Whether you're on your way to the arena, before practice, or between games, you need a jacket that keeps you warm and is easy to wear during club activities. The black version has a simple, sporty look, making it suitable for players, coaches, and teams.

- Product Type: Winter jacket for hockey and leisure activities related to practice and games
- Age group: SR
- Color: black
- Sizes: XS, S, M, L, XL, XXL
- Uses: Traveling to the arena, waiting periods, practice days, and everyday club activities
- Fit: Available in multiple sizes for the right fit in the adult range

In hockey, functional team apparel is often just as much a part of everyday life as sticks and bags. This CCM jacket is designed primarily for senior players and club settings where a reliable, warm outer layer is needed before and after time on the ice. The black color scheme pairs easily with existing team gear and is equally suitable for the bench, travel, or tournament weekends.

When choosing a size, it helps to compare it to your usual outerwear size, especially if the jacket will be worn over other team clothing.
