Product information

Textile dye: black

Textile size-1: SR

WARRIOR STREET OH HOODY SR BLACK is a hoodie for hockey players and teams looking for something warm with a sporty cut to wear during practice, on the way to the arena, or during a break between sessions. The fabric blend of 70% Thermal Function polyester and 30% cotton combines functional comfort with a pleasantly soft feel.

- Material: 70% Thermal Function Polyester, 30% Cotton
- Collar: high collar
- Adjustment: integrated drawstring
- Construction: structured chest panel
- Pocket: open front pocket
- Details: Warrior heat-transfer logo on the shoulder and lower hem
- Color: black
- Size: SR in S through XXXL

In everyday hockey life, you need a hoodie that doesn't feel restrictive after warming up but still offers support during quieter moments. The high collar provides slightly better protection against drafts, while the fit can be adjusted with the drawstring. The open front pocket is handy for cold hands or small items. The structured chest cut gives the design a sporty look and stays true to the typical teamwear regularly worn by the club.

The SR version serves as a guide for adult sizing; the model is available in sizes S through XXXL.
