Product information

Textile dye: black

Textile size-1: JR

WARRIOR STREET OH HOODY JR BLACK is a junior hoodie designed for everyday hockey life off the ice—whether you're on your way to practice or in the arena between sessions. The fabric blend of 70% Thermal Function polyester and 30% cotton combines a comfortably soft feel with functional properties that remain noticeable during the active daily life of a sports club.

- Material: 70% Thermal Function Polyester, 30% Cotton
- Collar: High collar for added coverage around the neck
- Adjustment: Integrated drawstring on the hood
- Construction: Structured chest cut
- Pocket: Open front pocket
- Details: Warrior heat-transfer logo on the shoulder and lower hem
- Color: Black
- Sizes: JR S, JR M, JR L, JR XL

Especially for youth athletes, clothing that's practical and doesn't get in the way of daily club activities is key. The higher collar provides slightly better protection from drafts while waiting outside the locker room or on the way to the gym, while the open front pocket offers space for hands or small everyday items. The structured chest area gives the hoodie a sporty silhouette without looking too flashy.

When it comes to junior apparel, it's worth taking a quick look at the desired fit, especially if the hoodie is to be worn over workout clothes.
