The WARRIOR CAP TEAM BLACK is a classic 6-panel cap for everyday hockey, practice, and the trip to the arena. The fully curved brim is ready to wear right out of the box and features the cap's signature shape from the start, without the need for lengthy adjustments. Available in black, it pairs effortlessly with team and club gear.

- Product Type: Classic-style 6-panel cap
- Brim: fully curved and ready to wear
- Material: lightweight performance fabric
- Ventilation: laser-perforated back panel
- Fit: One size fits most
- Details: Warrior logos on the brim and back
- Color: black

Club players, coaches, and teams in particular need a cap that's easy to wear off the ice or off the field. The lightweight performance fabric is comfortable to wear, while the laser-perforated back panel provides extra airflow on warm days or when moving between the locker room, arena, and bus. Thanks to the pre-curved brim, the cap feels broken in and ready for everyday use right from the first time you wear it. The visible Warrior details add a clean, sporty touch without being too flashy.

The one-size-fits-all design accommodates many head shapes; therefore, the desired cap style is the primary consideration when making your selection.
