Product information

Color: black

Stick size: SR

The TRUE HZRDUS 7X4 SR is a hockey stick designed for senior players who prioritize a direct shooting motion and precise puck control. The low-kick profile promotes a quick release, which is particularly noticeable during close-range shots and rapid plays during build-up.

- Technology: Low-kick profile for a quick shot release
- Construction: Reinforced shaft construction for high durability
- Grip: Glossy grip
- Blade: Textured surface for controlled puck feel
- Curvature: T28 or T92
- Hardness: 65, 75, 85, or 95
- Blade orientation: left or right
- Size: SR

On the ice, this hockey stick really shines when there's little time left to take a shot. The combination of a fast flex point, a sturdy shaft, and a textured blade helps you control the puck smoothly and take quick shots. Ambitious club players who train regularly and value an immediate feel for the stick will find this model clearly geared toward speed and responsiveness.

When selecting a stick, it's worth taking a close look at the curve, stiffness, and blade orientation to ensure the stick matches your playing style and preferred handling.
