In goalkeeping, a steady feel for the stick is just as important as equipment that moves seamlessly with your own movements. An SR-sized stick hand is designed for adult goalies and ambitious junior goalies transitioning to the senior level who rely on suitable goalie equipment for their daily club activities. The ALPHA-SURGE line represents modern goalie equipment at WARRIOR and is particularly appealing to players who want to coordinate their gear within a cohesive product family.

Helpful for selection: SR stands for the senior division; the key factor remains ensuring a good match with the rest of your goalie equipment.
