In the world of hockey, a beanie is often more than just an accessory—especially on early game days, on the way to practice, or during longer periods off the ice. The classic cut offers a comfortable, uncomplicated fit and pairs well with casual athletic wear. The turn-up creates the classic beanie look, which remains stylish even with regular use during club activities. The woven Warrior patch clearly showcases the brand without overwhelming the understated style in brown and cream.

Size SR is suitable for the standard adult range.
