Especially in everyday club life, it's important to have clothing that doesn't restrict movement yet still keeps you comfortably warm. The raglan sleeves support natural movement in the shoulder area, which makes changing, warming up, or taking breaks during training noticeably more comfortable. In addition, the panel construction, combined with the elastic hem, ensures a secure fit without feeling stiff. The front zipper allows for quick adjustments during everyday gym use, and the two pockets add practical functionality.

When choosing from the senior sizes, it's worth taking a quick look at your preferred fit, especially if the hoodie will be worn over team uniforms or training gear.
