WARRIOR STREET JOGGER JOGGING PANTS SR BLACK are training and casual pants for hockey players looking for something durable and comfortable to wear before or after being on the ice, as well as on the way to practice. The Cotton Poly Tech Fleece combines a soft feel with everyday durability, while the structured leg cut gives the pants a sporty and clean fit.

- Material: 70% cotton, 30% polyester
- Construction: Cotton Poly Tech Fleece
- Waistband: elastic waistband with drawstring
- Pockets: 2 side pockets with zippers
- Leg cut: structured
- Details: Warrior heat-transfer logos on the thighs
- Color: black
- Size: SR in S through XXXL

Especially in everyday club life, gear that works without hassle is essential. The elastic waistband with a drawstring helps you quickly adjust the fit, and the zippered pockets keep small items like keys or a cell phone safely stowed away. Thanks to the blend of materials, the pants are comfortable to wear without feeling too heavy, and they're well-suited for light athletic training, warm-ups, or recovery throughout your hockey day.

The SR version is designed for adults; when selecting a size, we recommend choosing your usual training pants size.
