WARRIOR STREET JOGGER JOGGING PANTS SR NAVY are training and casual pants designed for everyday hockey life off the ice or in the arena. Especially when playing for a club, it's important to have clothing that fits comfortably before and after practice, allows for freedom of movement, and keeps small items safely stowed away. That's exactly what this model in dark navy is designed for.

The fabric blend combines the soft feel of cotton with the low-maintenance properties of polyester, while the Tech Fleece ensures a comfortable fit during warm-ups, on the way to the locker room, or during less intense training sessions. The elastic waistband with a drawstring makes it easy to adjust the fit. The side zippered pockets are especially practical for hockey, as they keep keys, cell phones, or tape secure instead of having to carry them loose.

When choosing from the SR line, it's worth taking a quick look at the desired fit—ranging from S to XXXL.
