Glove color: black

YOKO TRE GLOVES BLACK are ski gloves designed for cold days when warmth and a secure fit are top priorities. The insulated back of the hand provides support in winter conditions, while the adjustable strap helps ensure a snug fit. This makes them particularly well-suited for active winter sports where equipment needs to perform reliably and without complications.

- Product Type: Ski gloves for cold weather

The benefits of a well-designed glove construction really shine during long days on the snow: the back of the hand stays better protected from the cold without making the gloves unnecessarily complicated to use. The strap helps keep the glove securely in place even when you're on the move. For regular days on the slopes or recreational use in wintry conditions, this is a practical combination of warmth and easy adjustment.

To ensure you choose the right pair, check the size to make sure the fit and range of motion suit your intended use.
