Product information

- Size: XL or XXL

For goalies, pants must perform reliably when crouching low, shifting sideways, and reacting quickly. That's exactly where the EXEL GOALIE PANTS G1 come in: as functional pants for goalies who rely on dependable gear for club play or regular training. The Groß size is primarily designed for adult goalies who prioritize ample room, a comfortable fit, and a seamless integration with the rest of their goalie setup.

When selecting a size, it's worth checking the size of your existing goalie gear to ensure the pants fit harmoniously with your pads and jersey.
