Goalkeeper color: black

Goalkeeper size: INT

TRUE GP HZRDUS 7X4 FE INT BLACK is a leg guard designed for goalies who prioritize a clean, streamlined setup for their equipment during practice and games. In size Groß, this model is primarily designed for youth and junior goalies who need a balance of protection, mobility, and a cohesive setup.

- Product Type: Leg pads for ice hockey goalies
- Model: GP HZRDUS FE 7X4

Product information

- Size: INT
- Length: 29 inches + 2 inches
- Version: FE
- Color: black
- IntendedUse: Training and games in goal

For younger goalies in particular, the right length is crucial to ensure that the leg pads sit properly in the starting position and do not get in the way during lateral movements. The 29 inches plus 2 inches provide clear guidance for classification within the INT category. The black design blends seamlessly with existing goalie gear and fits well into everyday club life, where regular training and reliable coordination of equipment are essential.

The key is choosing a size that matches the goalkeeper's height and playing stance.
