Product information

Color: black
Bends: T31
Stick size: SR

The TRUE HZRDUS 7X4 SR is a goal hockey stick designed for goalies looking for a clear, straightforward choice for both practice and games. At 25 inches (64 cm), this model falls into the senior category and is well-suited for equipment where reach on the ice and precise puck control around the slot are important. The T31 bend is specifically designed for use in goal.

- Product Type: Goal hockey stick
- Model: HZRDUS 7X4
- Size: SR
- Length: 25 inches / 64 cm
- Bend: T31
- Color: black
- Style: Regular or Fullright

For club goalies in particular, it's important to have a stick that integrates seamlessly into their usual movements without requiring any adjustment. The senior-length design facilitates controlled play along the ice, such as when directing rebounds, stopping the puck behind the net, or making the first pass after a save. The black finish keeps the look simple and sporty. With a choice between Regular and Fullright, this model can be selected to match your catching and stick hands.

When selecting a goal hockey stick, the side should be chosen carefully to ensure that your stance, feel for the blade, and movement patterns in goal all work together seamlessly.
