Product information

The ASICS GEL-CUMULUS 27 MEN is a running shoe designed for regular runs where a soft, smooth ride is desired. Especially those who rack up many kilometers during endurance training or are looking for a reliable shoe for easy to moderate runs in addition to indoor and athletic training will benefit from noticeable relief with every step.

- Technology: PureGEL for soft cushioning
- Midsole: FF BLAST PLUS Foam
- Outsole: FluidRide construction
- Feel: soft, smooth, and comfortable
- IntendedUse: Running training and longer distances
- Fit: Men's model
- Sizes: EU 40.5 to 46.5

During daily training, the shoe's design really shines when your legs are already getting tired but you still need to maintain a smooth stride. The PureGEL cushioning comfortably absorbs impact, while the FF BLAST PLUS foam in the midsole provides a soft feel underfoot. In addition, the FluidRide outsole supports a smooth, even stride. The result is a shoe designed not for stiffness or responsiveness, but for long-lasting comfort.

When choosing a size, it's worth taking a close look at the available EU sizes ranging from 40.5 to 46.5.
