Product information

The ASICS JOLT 4 GS KIDS is a running shoe for children and teens who need a simple, well-fitting shoe for training, school sports, or an active lifestyle. The combination of a cushioned sole, a lightweight outsole, and an easy-care upper promotes a smooth running experience and a secure stride.

- Product Type: Running shoe for children and teens
- Cushioning: Shock-absorbing outsole for a smoother roll
- Grip: Slightly treaded sole for better traction
- Closure: Laces for a custom fit
- Construction: Low-top shoe with a rounded toe
- Material: Synthetic upper, easy to care for
- Care: Easy to clean with a damp cloth
- Sizes: EU 35 to 40, including half sizes

For young athletes in particular, it's important to have a shoe that doesn't distract from their movement. The cushioning properties relieve pressure on the foot during repeated steps on hard courts, in the gym, or on the way to practice, while the lacing system ensures a reliable fit. The slightly treaded outsole provides a controlled feel when starting, stopping, and changing direction. The synthetic upper is pleasantly low-maintenance for everyday family and club activities because dirt wipes off quickly.

When choosing a size, take a close look at the EU sizes 35, 35.5, 36, 37, 37.5, 38, 39, 39.5, and 40.
