The EXEL E-FECT 2 WHITE is a floorball stick designed for players who are looking for a direct, precise feel for the ball during practice and games. With a shaft length of 101 cm and a flex of 2.9, this model is primarily designed for advanced youth players and club players who prefer a longer shaft and value smooth handling when passing, receiving the ball, and shooting.

Product information

- Length: 101 cm
- Flex: 2.9
- Shaft shape: round
- Blade: MB
- Pole type: Left or Right
- Color: white

The round shaft shape offers a classic, familiar feel in the hand, which is especially comfortable during regular training sessions. Combined with the MB blade, this creates a stick that's well-suited for controlled passing, ball handling, and a clean finish. The 101 cm length is particularly suited for taller juniors and adults who want to play with greater reach on the field and keep clean possession of the ball even under pressure. The white finish offers a simple and sporty look.

When selecting a stick, in addition to the shaft length, it's especially important to choose the correct stick side.
