BLINDSAVE LEGACY PADDED GLOVES BLACK are padded gloves designed for floorball, ideal when you need a direct feel for the stick and want to take some of the strain off your hands during practice or a game. The black design has a understated look and pairs easily with the rest of your gear.

- Product Type: Padded floorball gloves
- Construction: Padded design with additional padding
- Intended use: Indoor training and games
- Feel: supports grip on the stick during active hand play
- Color: black
- Sizes: XS, S, M, L, XL
- Age group: SR

Gloves are particularly useful during regular indoor sessions when working on stick handling, shots, and one-on-one situations. The padded design clearly sets this model apart from a basic version: Your hands stay closer to the stick without losing contact with the grip. This is particularly appealing to club players who frequently handle the ball during practice and are looking for a reliable addition to their field player gear.

When choosing a pair, the most important factor is finding the right size so that the glove fits snugly and doesn't restrict hand movement on the stick.
