Color: neon orange

Stock type: Right

EXEL ICE NEON ORANGE is a floorball blade designed for players who specifically seek a familiar feel when replacing their blade or fine-tuning their stick. The R ICE SB model in neon orange is designed for right-handed players and is particularly well-suited for regular training and games where ball control and familiar handling are key.

- Product Type: Floorball Blade
 - Model: Exel R ICE SB
-

Product information

- Blade orientation: right
- Color: neon orange
- IntendedUse: Replacing or customizing a floorball stick
- Playing feel: Direct handling thanks to blade selection

Club players and ambitious young players in particular often pay attention to small differences in a new blade that are immediately noticeable on the field. The right blade affects how cleanly the ball is controlled, how natural dribbling feels, and how comfortably wrist shots come off the stick. This Exel blade is designed for anyone who prefers a right-handed model and doesn't want to experiment when switching equipment.

It's important to choose the correct blade orientation for your existing stick and your playing side: "right" means the curve is designed for right-handed shooters.
