Product information

Accessory size: JR
Accessory color: pink

FATPIPE CAPTAIN BAND JR is a junior captain's armband designed for floorball. The pink version clearly identifies the captain on the field and is a good fit for teams where organization and quick recognition during games or practice are important.

- Product Type: Captain's armband for floorball
- Intended use: Practice and games
- Age group: JR
- Color: pink
- Function: Visible identification of the team captain
- Fit: Junior size

Especially in youth sports, a captain's armband helps clearly define responsibilities on the field. This is just as helpful in everyday club activities as it is on game days, when substitutions, communication with the team, and guidance for coaches and teammates need to be quickly understood. The JR size is tailored to junior players and is therefore suitable for younger players, for whom well-fitting gear—down to the smallest detail—often makes all the difference in performance.

To make the right choice, it's worth taking a quick look at the appropriate junior size within the team's equipment.
